

Groundbreaking for
the *Believers Together* Community Center,
April 23, 2001.

Continuing the “House Payment Plan”

On the Fifth Anniversary of the
Believers Together Community Center
Saturday, September 8, 2007

As we celebrate the 5th anniversary of this beautiful
facility, we welcome Most Rev. Daniel Jenky, C.S.C.,
Bishop of Peoria, who joined us five years ago to lay the
cornerstone for the important mission of the Center.

Believers Together

Five years have quickly passed since the *Believers Together* Community Center opened its doors in 2002. In that time, many have experienced the blessings of a Cursillo weekend, many young people have shared the joy of a “Teens Encounter Christ” weekend, and the Christ the King community has been blessed by memorable parish events. The three organizations have grown together in a true spirit of community, made possible by the presence of the beautiful facilities in the *Believers Together* Community Center and by the faith of the people who have continuously supported it.

Through the generosity of those who originally pledged, those who continued with the “House Payment Plan”, and those who contributed to specific fundraisers such as the Snow Ball and the Basket Raffles, the original construction cost of approximately \$3.3 million has been reduced to the current mortgage balance of approximately \$1.1 million.

So much good has been done at the *Believers Together* Center, and there is so much more that is yet to be done. With this in mind, our communities, of Christ the King Parish, Cursillo, and TEC, ***Believers Together***, refocus our efforts and renew our commitment to provide this legacy for the future. This phase of our fundraising effort seeks to re-energize the “House Payment Plan,” into a major capital campaign. The result will be to retire the existing debt owed to the Diocese and provide a nest egg for the ongoing maintenance and upkeep of the *Believers Together* Center.

The basic concept of the “House Payment Plan” is for each member of *Believers Together* to budget a regular payment amount that will payoff the loan balance that remains on the *Believers Together* Community Center. The sooner the mortgage on the facility is paid in full, the less money we will spend on interest servicing the mortgage, over \$5,000 per month at present.

Your contribution and participation are vital to the continuing success of the *Believers Together* Community Center.

In re-energizing the “House Payment Plan” we ask that you prayerfully consider a periodic payment to *Believers Together*. First, to reduce the \$1.1 million debt and second for on going support of the wonderful community center.

Enclosed is your pledge card, please return it to the campaign office, at 3209 60th St., Moline, IL 61265, as soon as possible.

We highly recommend monthly direct debit from your savings or checking account. It is the most convenient way to make consistent payments over time. Check out the reverse side of your pledge card to make your commitment effortless. This is a great way to live the “first fruits” concept of stewardship

Visa and MasterCard are accepted for pledge payments.
